History

Bob Jones *Heritage Studies 5* is a comprehensive, chronological survey of America's entire known history. Chapters are pedagogically stimulating with art, maps, timelines, graphs, photos, and quick check questions. Most chapters have an extended activity, a brief narrative called "How It Was," and biographies to enhance learning. The chapters emphasize themes in U.S. history and are written to prompt biblical evaluation of historical events.

- America's First People
- European Exploration & Settlement
- Thirteen Colonies
- American Independence
- Early National Period
- Civil War
- Reconstruction and the West
- The Gilded Age
- America's Influence Spreads Abroad
- The First World War
- Roaring 20's and Depressing 30's
- Rulers with Iron Fists
- The Second World War
- Postwar America
- The Rise of the Counterculture
- A Time of Strength and Challenge
- Leader of the Free World
